Global Hunger Sunday:

There has been a lot of buzz in recent years about the movie series, "the Hunger Games." The movie takes place in a post-apocalyptic world in which poverty and starvation are rampant. Teens there compete in the hunger games where they fight to the death until only one remains.

The Kentucky Baptist Convention in partnership with Global Hunger Relief is involved in relieving hunger locally, nationally and internationally in many different ways, from providing meals and groceries to hungry families to participating in famine and drought relief.

Did you know ...

- that 17% of Kentuckians are food-insecure, including 222,380 children
- Kentucky Baptists hunger relief ministries provided 152,000 meals last year

Physical hunger is not a game and neither is spiritual starvation. The desire of KBC hunger relief ministries is to build relationships with people and eventually lead them to a relationship with Christ. Last year, 21,770 people world-wide, including 129 Kentuckians, professed faith in Christ as a direct result of hunger relief ministries.

While **October 8th** is the designated day for promotion of the Global Hunger Relief Offering, it should be a year-round emphasis because people go hungry every day. You'll find a plethora of resources on this website that will help you to promote this important offering that is meeting a critical need.

Parkland Baptist Church will be collecting for and observing Global Hunger Sunday. We will be passing out prayer calendars and rice bowls on Sunday, September 10 and collecting the money on Sunday, October 8.
